JOHN CARL C PORCOPIO
JUNIOR WEB DEVELOPER | IT SUPPORT

Patimbao | Santa Cruz, Laguna | jcporcopio03@gmail.com

PROFESSIONAL SUMMARY

Motivated 4th-year Information Technology student from Laguna State Polytechnic University seeking an On-the-Job Training (OJT) position as a Junior Web Developer / IT Support. Skilled in building responsive and functional web applications using HTML, CSS, JavaScript, Python (Flask), and MySQL, with foundational experience in mobile app development using Flutter and Dart. Familiar with backend integration, database management, and local server using XAMPP. A fast learner eager to gain hands-on experience, adapt to new technologies, and contribute effectively to a professional development team.

SKILL

Frontend: HTML, CSS, JavaScript

Backend: Python (Flask), MySQL

Mobile: Flutter, Dart

Tools: XAMPP, GitHub, VS Code, Figma

Other: UI/UX Design, basic Graphic Design

PROJECT

Women's Apparel

Fully functional web and mobile e-commerce platform with product catalog, shopping cart, user authentication, and responsive design.

LSEF TESDA Student Portal

Built a web-based student portal with blockchain-based certificate verification for secure credential validation.
